Building a Healthier Community Together

Alice Hyde Medical Center

an affiliate of Fletcher Allen Health Care

Services

The Alice Hyde Medical Center employees and medical staff offer a broad range of services both at the main campus in Malone and in community sites around Northern Franklin County. Our goal is to ensure that individuals and families have access to a full spectrum of state-of-the-art and progressive health care services—from primary and preventive health care, to surgical and emergency treatment, to nursing home care.

Generations of families have relied on Alice Hyde Medical Center to care for them from the celebration of birth to their twilight years—and we are committed to serving generations of North Country families to come.

Programs

In Touch with Health community wellness program

A key ingredient for meeting our mission of ‘building a healthier community together’ is offering educational programs that foster wellness and healthy lifestyle choices for all members of the communities served by Alice Hyde Medical Center. The Education Department’s *In Touch with Health* community wellness program is designed to provide a full array of useful health information utilizing the expertise of the Medical Center’s staff via demonstrations, workshops, support groups, and screenings.

Community wellness topics include diabetes, heart disease, cancer prevention & treatment, asthma, nutrition, exercise & weight management, depression, stress management, allergies, headaches, smoking cessation, baby sitter safety, advanced directives, and child car seat safety.

Programs

- Alcoholic Anonymous
- Alzheimer’s Support Group
- Babysitter Safety Classes
