## Reddy Cancer Treatment Center

You have cancer. Three words we all fear. But many cancers can be effectively treated.

At Alice Hyde Medical Center, the Reddy Cancer Treatment Center offers full service radiation oncology that uses state-of-the-art medical technology in the fight against cancer. Our technologically advanced approach to cancer treatment planning is the best currently available anywhere.

The center has a qualified and compassionate staff including a top notch Medical Radiation Oncologist, an experienced therapy staff, a superb ancillary staff dedicated to patient care, and a Medical Physicist.

Because cancer treatment is about more than equipment and procedures, the Center offers one-to-one support and care for cancer patients and their families and support groups for survivors, caregivers, and families.

You can rest assured that you are getting the best, most advanced care possible. The center is also accredited by the Joint Commission.

The Reddy Cancer Treatment Center is conveniently located on the campus of Alice Hyde Medical Center in Malone.
